

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I do not believe that the merger would be good. The local cable company is in a Different class. There needs to be competition for the Satalite companys to continue to grow. It is like comparing cell phones to the local phone company. The same but different. I believe it would benifit all customers to deny the merger.

Sincerely,

Paul Medlock
